## Learn a String Instrument at BPS!

Bungendore Public School students have the opportunity to learn the Violin, Viola or Cello as a private lesson or in a group class setting at the school through private tutors Nicole Vieser and Rita Woolhouse.

After students have progressed sufficiently, they are eligible to join the Bungendore Youth Orchestra to play their instrument with their peers in a group setting after school and the opportunity to perform within the school and the community.

*The benefits of music education have been well documented and proven to enhance motor skills, self-confidence, self-discipline, and team work. Learning a musical instrument also helps students progress in other core learning areas such as Maths and Reading.*

For more information including lesson fees, timetables and to enroll your child in violin or viola lessons please contact **Nicole Vieser** via email: [nicolevieser@icloud.com](mailto:nicolevieser@icloud.com)
