Off School Grounds Activity Permission Note

Dear Parents and Carers,

Over the course of the school year there are occasions where it is necessary for teachers to take their classes over to the Mick Sherd Oval, across the road from the school, on Gibraltar Street.

Upcoming events will be flagged in the newsletter when plans are finalised, and such events will include the school athletics carnival, various sporting clinics and gala days.

Students and teachers will cross Gibraltar Street as a group and students will always be fully supervised by a teacher.

The purpose of this permission note is to cover these occasions for the whole of the year and to save sending out individual notes each time.

Please complete the note below and return it to your child's class teacher.

Regards

Nigel Trethowan
Principal
